

Pricing List

Mentoring Program

Software Based Cost:

Software Type	Example	Cost Per Hour
Heavy Duty	Petrel	\$100
Medium Duty	Techlog	\$80
Low Duty	PROSPER, GAP, etc.	\$60

Discount Rate Table:

No. of Hours	Discount Rate	Example in Case of Heavy-Duty Software
First 6 Hours	-	\$100 / Hour
From 7 – 10 Hours	15%	\$85 / Hour
More than 10 Hours	30%	\$70 / Hour

For example, 13 hour mentoring on a heavy-duty software will be charged as follows:

$$6 \times \$100 + 4 \times \$85 + 3 \times \$70 = \$1150$$

Notes:

1. The mentioned prices above are discounted and meant for individual professionals/Engineers.
2. In case the company is paying for the eMentoring, original prices will apply (300% of the mentioned prices)
3. Bachelor's Students get 50% extra discount, while master's will get 30% discount and PhD Students who are not working will get extra 20% discount.
4. If you are requesting mentoring in more than one software, extra discount applies upon discussion.
